

FOUR MEN YOUNG & OLD AND ALL SET TO GO

KENDALL'S 4TH BIENNIAL HORTICULTURAL SPEAKERS DAY is coming up again **Saturday 29th July 10am to 3pm, at the Kendall School of Arts.** This time there are 4 male speakers but last time, in 2015, there were 4 female speakers. It's possible that in 2019, if you're female and have a passion for a particular Horticultural subject you may be asked "to deliver" on stage.

Tony Moore, from Port Macquarie, will be presenting his talk on **BUTTERFLIES OF THE MID NORTH COAST.** Tony and Angela are also Veterinary Oncologists with clients from all over the world.

Terry Wright from Diamond Beach will tell us about **NATIVE RAINFOREST PLANTS FOR WILDLIFE & BUSHTUCKER** showing his skills with the camera to help identify plants.

Wauchope Greenbourne Nursery's, Brendan Harris, is doing **NEW, OLD, AND TIMELESS PLANTS** including **colour & perfume** that all change with fashion.

BUT... Diego Bonetto is coming all the way from Sydney, travelling by train, to be

with the Kendall community & visitors to tell us about **EDIBLE & MEDICINAL WEEDS.**

4 Speakers + Morning Tea = \$15 per person

Pre-ordered 3 course lunch = \$15 Gluten free available

Bookings can be made by calling 6556 9677 or 6556 9615

There are Picnic spots nearby and shops in walking distance for snacks etc.
