## **HUGE PONY CLUB CHAMPIONSHIP EVENT AT KENDALL SHOWGROUND** **Camden Haven Pony Club Zone 9 Mounted Games Championships**

Camden Haven Pony Club hosted the zone 9 mounted games championships at Kendall showground recently. Teams represented clubs from Bellingen, Willawarren, Kempsey, Hastings, Camden Haven, Cooper-nook, Oxley Island, Wingham. There were 110 riders competing ranging in age from 6 years to 24 years. The riders compete as members of teams, and a variety of 8 different games are contested, and accuracy, skill and speed all come into the games. The zone championships are a qualifier for riders to be selected for the NSW State Mounted Games later in the year.

Our Camden Haven pony club had 5 teams competing, and our riders have been training hard for the last couple months, and many hours of training has been put into the games. One of our Camden Haven Teams were awarded Overall Champion Team - comprising of Brooke Atkins, Olivia Groth, Livinia Deutscher, Zoe Groth, Alyssa Deutscher, an outstanding effort against really strong competition.

Our local riders representing Camden Haven Pony club were: Team 5 - Chloe Baker, Jenny Stevenson, Zoe Lucas, Shelby Green, Courtney Hanlon, Team 4 - Lacey Fitzgerald, Cameron Fitzgerald, Holly Cole, Clancy Mullen, Jack Reynolds, Team 3 - Mollie Fitzgerald, Macey Wilkinson, Jazmin Madden, Meg Reynolds, Shae Wilkes, Team 2 - Sara Lucas, Millie Lucas, Olivia Telfer, Gabby Cole, Tiani Stewart, Team 1 - Brooke Atkins, Olivia Groth, Livinia Deutscher, Zoe Groth, Alyssa Deutscher.

Many thanks to the Kendall Op-Shop who have been generous in their grants for our club to purchase equipment in preparation for these games. It is with this generosity that we were able to have the equipment to hold this Zone Championships at Kendall.

## QUARTERLY NETWORKING NIGHT REPORTS – 5<sup>th</sup> June 2014

**ARTS MID NORTH COAST:** Kevin Williams gave an update on Kendall as one of the six 'Creative Communities', is now officially up and running on Arts MNC web site, directing attention to Sydney and Newcastle visitors particularly. Kendall National Violin Competition has been officially supported in its latest grant application for an expanded program. A designer is working on a special logo for Kendall to be used on brochures/activities for marketing. Creative Coast web site is now the largest on-line web site for arts and cultural activities in Australia. Any events will also get listed in the what's on calendar. Kevin has negotiated with Southern Cross University for 150 students to be available to do projects for community groups, e.g. developing web site; also two days in Musica Viva country touring program to be rolled out in this area in conjunction with KNVC. Arts MNC press releases to be issued and web site to be linked to every tourism web site. A flyer is also proposed.

**COMMUNITIES OF THE THREE BROTHERS:** Two workshops had been held in Kendall, one daytime and one evening, for web site and social media training and appreciation was expressed for the valuable information contained in these free sessions. Kevin said that a decision had been made by Arts MNC to do another workshop with MNC Chapter of Museums and Heritage Societies on a date to be advised. A waterways project is being undertaken in collaboration with Manning and Camden Haven, Hastings and Macleay Rivers, resulting in an on-line exhibition of the heritage of the rivers and with a modern water trail. The Three Brothers web site is at the design stage at present and due for completion shortly. \$1,000 has been received from Port Macquarie-Hastings Council for a project on local disaster planning specific to the Three Brothers area.

**C.W.A.:** Sue Carter reported on a big International Day in April, with the country of study being Botswana. Leslie Williams MP, David Gillespie MP and the Minister for Ageing attended. Sue attended the State annual conference in Grafton this year to represent Kendall. The next event will be catering for Bookends' book sale on 12<sup>th</sup> July.

**GARDEN CLUB:** John Carter spoke of the Open Gardens day in April, which was very successful, clearing just over \$1,400 which went to the upkeep of the Community Centre. Numbers were down due to heavy rain preceding the weekend. The Garden Club will hold its 9<sup>th</sup> birthday in July. An offer had been received from Council's weeds officer to hold a session on weed identification as a quarterly event, with people being invited to take in weed samples for identification and advice.

**LORNE FIRE BRIGADE:** The AGM will be held this month; people do not need to be an authorised fire fighter to be on the committee – everyone is welcome and new members particularly welcomed. There have been no fires at all for two months. There were over 5,000 in the State in September.

**KENDALL SERVICES & CITIZENS CLUB** – Allan Hudson advised that the Club is trading well – 77% better than last year at the end of April. The Dining Room has been refurbished and compressed air is being used instead of gas, which will considerably reduce costs. The solar system will save about \$500 a month. Memberships are now due.

**KENDALL COMMUNITY PRESCHOOL** – Susan said they were very busy, and thanked the Op Shop for the grant to reinvigorate the sandpit with major redevelopment. She congratulated the Heritage Society on running such a magnificent opening to Heritage Week. The Preschool has been visiting in the community, to the Post Office, Debbie Wilson's Garden (where Preschool often visits for special experiences). Annie Georgeson had spent time talking about artists portraiture for the students' Mothers Day pictures. Warren from Laurieton Pet Shop took goldfish and Kew Produce were supplied with eggs from the Preschool, packaged in 4's and sold for 50c in return for chicken feed. Christmas in July Trivia Night will be held in the Club as a fundraiser for the Preschool, and the Spring Fair is scheduled for 25<sup>th</sup> October, with a Golf Day and Auction in September.

**PRIMARY SCHOOL P & C:** Susan reported that the recent Fete had been really well attended and raised about \$7,000. The next meeting will be inviting community input into the School zones and road safety issues.

**KENDALL HERITAGE SOCIETY:** Sandra Haswell reported that the Heritage Week launch on 13<sup>th</sup> April was a very big success and everything went well – the bullocks were unveiled and the Men's Shed undertook the sausage sizzle. There was a working bee on 14<sup>th</sup> May clearing the Heritage Walking Trail, with more work to take place in the near future.

Betty Boyd tabled pictures of the panels which will be erected in Herons Creek, depicting pioneers of the district. Formal opening day is 19<sup>th</sup> July and a coffee table book has been prepared for sale at \$45.

**KENDALL COMMUNITY OP SHOP:** Diane Pope said that the Op Shop continues to go from strength to strength, with volunteers working extremely hard. A very successful Grants Night was held in April, since when sales have further increased. The Chamber of Commerce had recently awarded a 'Service to the Community Excellence Award' to the Op Shop; Diane expressed appreciation to the volunteers and the community for their support.

Members have been really disappointed with Council's recent decision about Pool management. They are trying to approach Council to clarify the situation and encouraging support for this from the community.

**SWIMMING POOL:** Great concern was expressed at Council's decision to change the contractor for pool management, and discussion centred on steps to be taken to make these concerns known. It was agreed that the general community be encouraged to send submissions to Council, and that the Kendall Community Network also write to the Mayor and Councillors as well as the Minister for Local Government to reflect the community feeling, asking why the decision was made and expressing concern at the lack of transparency as well as the absence of any community consultation. Moved Diane Pope/seconded Sue Carter. Carried unanimously.

Concern was expressed particularly with the extent of involvement of Kendall community in the development of Kendall Community Pool and the fact that the history of this development appeared to have been ignored.

It was suggested that all local groups be advised and that a sample letter be developed as a guide for individual submissions.

**SCHOOL TO SCHOOLS PROGRAM:** John Cook gave an update on this program; the group is incorporating as a formal non-profit organisation, they have developed a plan and put proposals to Council. They held a meeting today with Leslie Williams and the Minister for Roads & Maritime Services. Next week there is a meeting scheduled with David Gillespie. Feedback from the community has been positive. A submission has been put to Council to complete the missing section of footpath on Comboyne Street. The goal is for a safe pathway from Kendall Primary to Laurieton Primary. The next meeting of the group is 23<sup>rd</sup> June at 5.30 in Kendall Club and all are welcome.

**KENDALL KETTLES CRAFT GROUP:** Elizabeth Watson reported that this is going very well. At the last meeting the Biggest Morning Tea was held with over 100 people attending; over \$1,400 was raised for cancer research. The group is very grateful for the help of the Club, particularly with dishwashing afterwards. Camden Haven Ukulele members entertained. It was hoped that more new members would be attracted to join Kendall Kettles as a result of this successful day.

*(continued on Page 3)*

(Networking report continued)

**KENDALL TENNIS CLUB:** Wendy Hudson said that the start of the year saw one of the biggest yet with an on-line inactive competition winning support for Nadal for Kendall in the International Tennis Tournament. The publicity was priceless and Wendy expressed appreciation to members young and old. As a result of the National Schools Program for tennis, six schools in the area received tennis racquets and mini nets, including Herons Creek, Kendall, Comboyne, Johns River, St Josephs Laurieton and Hannam Vale.

The Club is growing, 300 members for three courts and 35 members waiting to join. They are disappointed that Council has 'pulled the pin' on the DA for the new development, including project management and finding the remaining funding, plus the Club having to lease back the new centre.

**DRIVER REVIVER CENTRE:** John Carter reported on a successful start to the conducting of a Driver Reviver centre during the recent holiday. There had been signage delays but the service will be again conducted on Friday and Saturday of the long weekend for north bound travellers. The plan is to run the service at each holiday time. John made the suggestion that local organisations take responsibility for manning the service for a day.

**KENDALL COMMUNITY BOATSHED:** Diane Pope said that members had held a successful Social Paddle at Cooperook last Sunday.

### TENNIS SUCCESS AT KENDALL PUBLIC SCHOOL

Congratulation to our Tennis Team who have successfully completed four rounds of the Victor J. Kelly Tennis Knock-out Competition. The team comprises of Caitlin Rogers, Gabby Coles, Izach Dennis and Riley Hughes. This is the best outcome yet for our school in the Tennis Knockout which is a superb effort. Thanks to the parents who attended the matches this term and supported the team. All children have shown tremendous sportsmanship during all their matches and enjoyed their tennis immensely.

### MUSIC! MUSIC! MUSIC! KENDALL MUSIC EXCHANGE

This is a local monthly event designed to allow people to share their love of all types of music and is held on the first Friday of each month at the Kendall Community Hall. Doors open at 6.30pm for a 7.00pm start and entry is by donation.

Popular Bonny Hills musicians, **Jim and Sue**, are set to perform on **Friday, July 4**. They have been performing their heartfelt, original songs and carefully selected covers for seven years. Their style could be described as acoustic folk, sometimes with a dash of soft rock, sometimes with a hint of country, blended with their beautiful

vocal harmonies. Jim plays acoustic guitar and Sue on djembe and percussion.

The format of the evening allows local musicians to play a couple of numbers after the guest performer's main set. So let's discover all that hidden talent out there!

The following month, **Tin Pipe Ali** is scheduled to perform traditional Irish music on the tin whistle on **Friday, August 1**.

Share your music, discover new sounds or just come along for an enjoyable evening of music.

## MASSIVE BOOK SALE AT KENDALL

BOOKENDS, the Kendall Community Bookstore, is launching another huge book sale on Saturday 12<sup>th</sup> July in the Kendall Hall and the doors will open at 9am.

For only \$5 you can fill your shopping bag with books from a huge range.

The CWA ladies will be providing snacks, refreshments and cappuccinos at the Meeting Place.

Bookends is a Community bookstore and book exchange. It is run entirely by volunteers and relies on book donations. All money earned goes back into the Community Centre.

It is open Monday to Friday, 10am to 2pm and Saturdays till midday. Book prices are unbelievably low to ensure that whoever walks in can afford a book.

The store is located next to the Kendall Hall in a quaint little building that was once the Batar Creek School. The bookstore was established in 2007 by a keen local woman who opened for business with a few boxes of donated books and a ramshackle cluster of tables.

In 2012, a generous grant from the Kendall Op Shop gave the bookstore a complete facelift. A local handyman built shelves and the Kendall Men's Shed helped install them.

It is now a thriving bookstore, bursting at the seams with books, and even some games and LPs.

Come to the book sale and make a day of it. Check out the many Kew and Kendall businesses from antiques to craft and don't forget the Op Shop. There are also a number of refreshment options to choose from too.

### Charity Day 19<sup>th</sup> July

Come and enjoy a day of footy and help raise funds for a variety of different charities. The Jordan Rice Foundation along with the Kim Walters Breast Cancer Foundation & the #RiseforAlex will be the main beneficiaries of the day with a head shave from Blues Players, Alex Pearce, TK and Super Chef Shannon Kennedy going to local boy Curtis Landers who injured himself playing Junior League last month. The Blues will be playing in Pink Jersey's for the day that will be later auctioned at the Kendall Services and Citizens Club. There will be junior games kicking off in the morning with a double header of Hastings League games. Comboyne will take on Harrington at 1pm with Kendall taking on South West Rocks at 3pm. There will be loads of entertainment for the kids and some great games of footy.

### Community Grant

The Kendall Blues were successful in receiving a \$2936.00 grant from the Holiday Coast Credit Union Community Partnership Grants for 2014. Pictured are President Wayne Wilkes & Warren Howe. These funds will go towards improving the canteen facilities otherwise known as June's Shed. June operates her canteen out of 2 old forestry huts that were joined together to make the canteen and have been there for approximately 30 years. Thanks to the Holiday Credit Union.

(Below are TK, Shannon Kennedy & Alex Pearce who'll be shaving heads and beards in the name of charity)

**RECYCLING COMPETITION**

The Recycling Competition will be held during our Good Life in Kendall Festival on Saturday 16<sup>th</sup> August 2014. Entries will be judged and displayed at the Kendall Showground, with the presentation happening at about 11.00am. This article is advance notice of the change to this event, which in the past has been held late in the year.

In addition to submitting recycled items, there will be a section specifically for **photographs of recycled activity** too large to actually submit on the day. The photographic entry should include “before and after” together with written description of the recycled activity. An example could be “reborn cars, garden items, sheds and the like”.

Any questions contact Warren Parkinson. 6559 4189.

**KENDALL COMMUNITY OP-SHOP REPORT**

The committee and volunteers were surprised and thrilled to have been acknowledged for ‘Outstanding Service to the Community’ by the Camden Haven Business Awards. The plaque, presented by the Camden Haven Chamber of Commerce and Rotary International is now proudly displayed on the wall behind the front counter.

The racks and shelves are well stocked with warm winter clothing for men, women and children. In the men’s and women’s section we have a variety of short and long jackets. However, there is not enough space to display all our winter jackets. Should you not be able to find a jacket to suit, please ask a volunteer to show you those that are stored on racks in sorting room 2.

Blankets, sheets and towels are found on the back shelves of the shop where there is also a selection of curtains and fabric. The jewellery stand is well stocked, a bit of bling always brightens up your wardrobe. Shoes and boots and handbags are displayed along the front wall.

Our ‘half price’ book sale was a great success but there is still a wonderful selection of reading matter to choose from. Fiction for children and adults, reference books, cooking, health and travel. Reading is a great winter pastime.

A warm welcome to Dorothy Hume who has joined our volunteers. At this time of the year we have available on most days at the front counter a selection of winter citrus, keep up your vitamin C intake or make your own marmalades.

**GOOD LIFE IN KENDALL  
FESTIVAL DAY  
SATURDAY 16<sup>TH</sup> AUGUST 2014**

We will be at the Kendall Showground again, and are planning for greater emphasis on the young people of our community, as well as reflecting the sustainability of all the community groups that ensure continued development of Kendall and surrounding community.

The festival aims to highlight those “things” we in Kendall/Camden Haven Community do well, like growing food, being experts in craft, sport, music and the ability to attract visitors from all over Australia to spend time here.

It is proposed that there will be a “chook show” for the young people to bring their pet chooks for judging, plus a pet show, again for the kids to bring their favourite pet for judging, and prizes will be awarded.

For teenagers we will endeavour to organize a “busking” competition, with the aim of developing an annual competition.

Full details of the festival will be on the Good Life website: [goodlifeinkendall.org.au](http://goodlifeinkendall.org.au) by Friday 4<sup>th</sup> July, including contact details. However, if you any immediate questions, please contact Warren Parkinson 6559 4189.

The day should commence about 8.30am and conclude when it finishes, say about 3.30 to 4.00pm. Entry will be by gold coin donation and we will be looking for some volunteers to help on the day, plus distribute advertising such as flyers, in August.

**INTERESTING FACT!**

**The Beautiful Number 7**

*Seven days of the week, seven seas, seven primary colours, seven wonders of the world, seven notes of the musical scale, seven ages of man, seven deadly sins, seven levels of hell, etc. etc.*

*Think 7-Up, Seven Dwarfs, the Magnificent Seven and there are many more book/movie titles featuring the number 7. It is also the sum of the opposite numbers in a pair of dice. Ask anyone to give you any number between 1 and 10 and most will choose 7.*

*Answer this: As I was going to St Ives  
I met a man with seven wives  
Each wife had seven sacks  
Each sack had seven cats  
Each cat had seven kits  
Kits, cats, sacks and wives,  
How many were going to St Ives?*

*7 is indeed a beautiful number....and might be uncanny but it is not magical, as cognitive psychologist George A. Miller explained in his 1956 paper The Magical Number Seven, Plus or Minus Two: Some Limits on Our Capacity for Processing Information.*

*The above verse, by the way, was found on the Rhind papyrus written by Ahmes in Egypt about 1650 BC and the answer is 1. Which also happens to be the number of thoughts you can have at any given single moment.*

### *The Good Life in Kendall Printing Availability*

The Good Life in Kendall can now offer a facility for printing of A4 size "flyers, reports, circulars, etc", for our volunteer community groups. We are able to provide both black/white and colour at a very attractive and minimum cost to all volunteer community groups. We can do this by means of sponsorship and sale of other printing products developed through The Good Life group.

If you would like to know more of this facility please ring Warren Parkinson on 6559 4189.

## KENDALL DISTRICT GARDENERS CLUB

John Carter thanked Doug Pope for hosting last month's meeting. David is no longer co-ordinating the morning tea so John called for someone to take on the co-ordinating role. It was later suggested that a roster should be set up. Next meeting is the Gardeners Club's 9<sup>th</sup> anniversary and we will be celebrating with a lucky prize system. Each person who wants to participate should bring along a gift for the prize table and will be given a ticket. When the ticket is called the person can then select a prize from the table. Please bring a plate and any drink other than tea/coffee you wish to consume.

During the festivities there will be a slide show displaying Hunter Valley gardens. Ben White from the Council will attend, so if you have any weeds you would like to identify or want to know the best way to eradicate them, please bring them along. Show and Tell covered a variety of plants and there were mandarins

and limes available. Richard also did a snap poll of members to see how many people were aware they should contact FAWNA if injured wildlife has been encountered and needs attention.

The guest speaker this month was **Yvonne Foley-Jennings** who has worked for many years as a florist. She demonstrated arranging foliage and branches to their best effect. Place wire mesh in vases that have large openings as this helps keep the stems upright. When arranging you need to get the balance right by turning the vase around as you work and standing back now and then to see how the balance is going. By turning the vase you can see how it looks from all angles. You also need to know when to stop. Yvonne showed how to cut leaves and curl/staple/break them to give various artistic effects. Soft stems should be cut at an angle while woody stem can be bashed. Soft leaves should be blanched by dipping the stem in and out of boiling water. The first drink for the foliage is the most important. To dry leaves, hang them upside down. Natural drying is preferred. To shape foliage, florist wire can be threaded through the leaf and then the leaf can be bent to shape. John presented Yvonne with a thank-you certificate.

Jim Lewin    **Next meeting July 21**
