## COME AND JOIN US - WHERE? AT THE MEETING PLACE CAFÉ!

The Meeting Place Café has now reopened on Thursday 8th January, 2015 and will continue to serve local residents and visitors each Thursday morning together with the Kendall Bazaar. We regret the article in the December edition of the Chronicle incorrectly stated the Café would not be reopening until 22 January.

Due to a shortfall in volunteers together with the retirement of key volunteer, Reggie Crane, the **Café will not be serving meals** but will continue to serve morning teas with their usual large selection of delicious homemade cakes together with superb coffee and teas. The Kendall Bazaar will also be active supplying fresh garden produce, seedlings/plants, homemade jams, chutneys and relishes plus gift items and more. So we trust our customers will continue to come and enjoy their Thursday mornings with us at the Café and the Bazaar.

Due to the great success of the Meeting Place Café over the past years, customer numbers have been steadily rising, however our volunteers are in decline and the workload on our current team has been taking its toll.

That the Meeting Place Café and Kendall Bazaar are an integral part of the social and economic fabric of Kendall is irrefutable. Created some ten years ago and operated by a team of dedicated volunteers the Café has raised many tens of thousands of dollars which have been used to maintain and repair our great Community Hall together with the purchase of a number of assets required for the successful operation of the Hall and Community Centre office.

For the Meeting Place Café to provide morning teas AND lunches in the future, new volunteers such as cooks, wait staff, dishwashers and baristas are needed to maintain the Café's successful operations. If you are interested in this type of volunteering and feel you would be able to assist, please see any of the current volunteers on a Thursday or phone the Community Centre Office on 6559 0055 and leave your details.

We thank you for your custom over past years and look forward to welcoming you in the future.

2015 Theme: Make it Happen

## International Women's Day

International Women's Day was marked for the first time in Europe in 1911 and emerged from activities of labour movements. Over one million women and men attended events. The rallies held in, Denmark, Germany, Switzerland and Austria supported the right of women to vote, hold public office, to work, have vocational training and end discrimination at work.

The first Australian IWD rally took place in 1928 at the Sydney Domain and 1931 saw the first IWD marches in Sydney and Melbourne.

In 1975 during International Women's Year the UN began celebrating IWD on the 8th of March.

Now, IWD is a time to celebrate the achievements of women, celebrate their work in their community and still to call for change where injustice is found.

In the Camden Haven on Friday 6th of March, Quota International Camden Haven will be hosting a breakfast to mark IWD.

The theme for 2015 is "Make it Happen" and Wendy Hudson, a woman who certainly makes things happen in our community will be the guest speaker.

The IWD logo is coloured purple and women are encouraged to wear the colour to mark the day. Why purple? Purple, white and green were the colours adopted in Britain to symbolise the the plight of the Suffragettes. On their banners purple symbolised justice and dignity.

So, save the date for early breakfast at the LUSC, put on purple and celebrate IWD and the continued work for justice and dignity for all people.

Details of the event will be published in February.

*Only women of a certain era will appreciate this story... If you don't understand, ask your mother, she'll explain!!*

*A woman was holidaying in small New England town where Paul Newman often visited and after arising early one morning and taking a long walk alone she decided to treat herself to a triple chocolate icecream cone at the local bakery come ice-cream parlour so got into her car and drove into the village centre..*

*There was only one other patron in the store so early - Paul Newman - sitting having a donut and coffee. Her heart skipped a beat when she made contact with those famous baby blue eyes; Paul nodded graciously and totally starstruck, she smiled back demurely. "Pull yourself together" she chided herself "you're 45 years old, happily married with three children and not a silly teenager"!*

*She ordered her chocolate icecream and then left the store, change in one hand and icecream cone in the other and avoided even glancing in Paul Newman's direction. When she got to her car she realised she still had a handful of change but her other hand was empty - no icecream! How can that be? Did she leave it in the store? So back to the store she went expecting to see the icecream still in the clerk's hand or on the counter but it was nowhere in sight!*

*With that, she glanced at Paul Newman who gave her a warm, friendly grin and said ..... "You put it in your purse".*

## KENDALL MUSIC EXCHANGE

What a great night we had at the Kendall Community Hall on 5th December! Wonderful performances in the first half of the night, and then, once STIX n STONZ came on, they really got everyone going – what a great sound - all those drums and instruments. People even got up and danced! For their last number, they handed out percussion instruments to everyone in the audience. It was such good fun to be able to join in!

So, what's next? On **Friday 6th February**, it will be a great honour to have KEVIN ATKINS from Lake Cathie as our main guest artist. Kevin plays piano – he plays at the Glasshouse every Wednesday! When I asked him, would he play for us, he said: “Well – I am 82 years old – so I better not wait too long – why not make it February”.

On **Friday 6th March**, the wonderful voice of ROBYN THOMAS from Lakewood will fill the hall. Robyn sang a few songs for us on 5th December and everybody was just in awe about her beautiful voice. Robyn says she has always sung. She started taking lessons at around the age of six and used to participate in the Railway Institute Eistedfodds. As for the guitar, she started to teach herself to play when she was 10. During her teens and twenties she used to play a lot in coffee houses and folk clubs. Robyn did Cert III in Music at TAFE in 2011. As well as her folk and rock music she also does classical singing. In that vein she has taken part in several of the Glasshouse lunchtime concerts but, she says: “put a guitar in my hands and I am home”. Make sure you mark these two nights in your diary so you don't forget about them. Bring your instrument along – all musicians are always encouraged and welcome to play a few songs – or just come and enjoy a great evening of music, light supper and great company.

**Doors open at 6.30pm for a 7pm start, entry is by donation.**

## KENDALL BIG WINNER WITH COMMUNITY BUILDING PARTNERSHIP GRANTS

Member for Port Macquarie Leslie Williams today announced that the Kendall community would benefit from

over \$40,000 in grant funding for community infrastructure committed to rebuilding NSW.

The funding has been provided under the NSW Government's Community Building Partnership program.

Leslie Williams said she was delighted the NSW Premier Mike Baird announced the roll out of these local projects which brings the total funding of projects for the Port Macquarie electorate to \$1.4 million over the past four years.

“There was a strong level of interest from the community for the available funds, with 82 applications from across the Port Macquarie electorate,” Mrs Williams said.

The Kendall community will receive over \$40,000 in funding which will directly assist four community organisations and provide significant benefits to the public broadly.

The Camden Haven Show Society applied for \$27,730 in funding on behalf of their own organisation as well as the Camden Haven Boxing Team and the Kendall Men's Shed to seal the driveway which runs between the two entrance gates of the showground. The provision of a bitumen seal to the internal roadway will also include the installation of a speed hump to improve road safety.

The Camden Haven Show Society were also successful in their funding application for \$10,000 to replace the roof on the amenities block and install a commercial dryer and washing machine for use by campers.

The Kendall Riding for the Disabled will also receive \$2500 to purchase and install two rainwater tanks to irrigate the riding arena.

“Local businesses will benefit from this investment in community infrastructure,” Mrs Williams said.

“Since 2011 it's been a privilege to support community projects that make a real difference to local organisations in the Port Macquarie electorate worth \$1.4 million.

“I look forward to seeing the benefits of these local projects announced today for the Kendall community as they progress.

## KENDALL COMMUNITY OP-SHOP REPORT

The Kendall Community Op Shop AGM was held on 11 December 2014 at the Kendall Services and Citizens Club. President Diane Pope reported that 2014 had been our most successful year financially. Diane added "we do not measure success purely by financial gains and will continue to be a place where the community is served well". Our volunteers are valued and acknowledged, our providers of goods are acknowledged and thanked and the responsibility of serving the community is taken seriously and cheerfully".

Committee members re-elected are, President Diane Pope; Vice President, Bill Jones; Secretary, Phil Higgins; Treasurer Margaret Phelps; Volunteer Co-ordinator, Sue Parkinson; Committee members, Greg McMahon and Sheila Ayshford. Most of the profit from the Op-Shop is distributed through our Grants System. This system requires organisations to apply for funds via application. The Committee then has the task of deciding the merit of each application. This year application forms will be available mid January and Grants distributed in March. These grants are available to 'not for profit' community groups seeking assistance for a project which addresses a community need. Application forms are available at the Op-Shop.

**The Grant system in 2014 saw almost \$102,000 distributed among 21 organisations.**

Charity Grants, which make up 5% of annual net profit, are decided by volunteers. Representative of these charities put forward submissions at the volunteers' monthly meetings.

**Five charities benefited last year from a total of \$5,500.**

In addition we have been able to support some organisations whose needs do not comply with the Grants criteria and we have done this through sponsorship. The Live Music Sydney Performance Group performed for local schools under sponsorship. The cost of the upkeep of a horse at Kendall RDA.

**These sponsorships totalled \$7,500.**

**\$115,000 was directed back to the community during 2014.**

Solar panels were recently installed, decreasing running costs.

As always the shop is bursting with good things. For music lovers there is some great sheet music, tapes, CD'S and vinyls. Also on display at present are backpacks, soft sided carry bags and larger suitcases. If you are not travelling those large suitcases are handy for storing out of season clothes.

When donating large objects could you please check at the front desk as storage is a problem at the moment.

Volunteers and Committee wish our valued customers health and happiness for 2015.

## KENDALL DISTRICT GARDENERS CLUB NEWS

The venue for our Christmas meeting this year was the Cattai Wetlands, near Coopernook; a change from the School of Arts which had been **the** place for ten years. The previous week had been rainy so we wondered if it would be the same for Monday - It wasn't! The sun was out and looked likely to be so all day. Twenty intrepid members arrived at the Wetlands, most by way of the S of A where passengers consolidated and cars left in convoy. After parking we walked to a wonderful shelter; beautifully made, solid wood tables and benches are provided there and we all quickly started to get into the drinks and nibbles. A framed photo of our leader cruising along (in a race!) in a kayak was presented to him, to general hilarity.

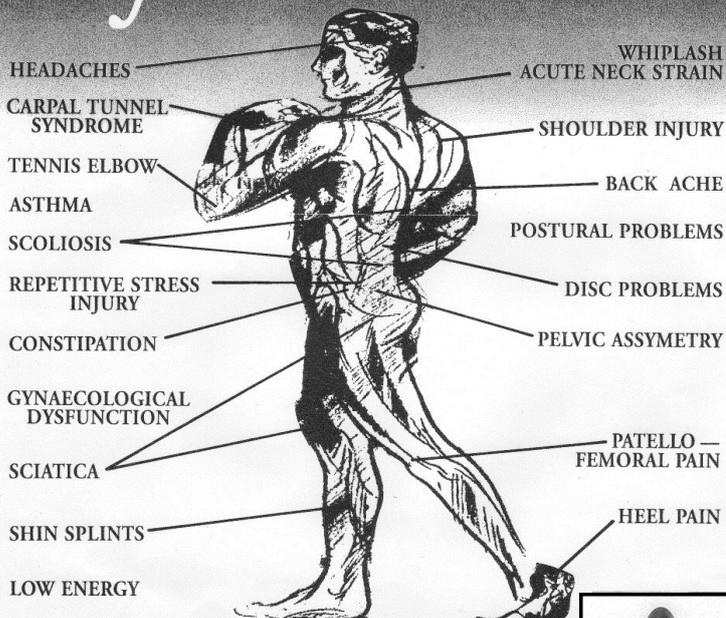

John thanked all who have helped during the year - even those who didn't make it - before asking a few Trivia questions. The correct answers earned a small gift - two correct and you were out. Some people had trouble remembering that, including John! After, the majority of members went off to wander around the lake or investigate the side tracks; the others sat and chatted. We reconvened at 11.15 or so to enjoy the food we had brought along. Cakes, melon, biscuits, fruit and other goodies were placed on one table for all to have - thank you to the donors - and all were demolished.

We began to scatter from 12.30, with all saying how much they had enjoyed this different celebration and regretting that more of our usual members had decided not to go just 30km south of Kew. Should we go again next year or somewhere else? Only time will tell.

**Our January 19th meeting** (10am) will introduce as guest speaker Terry Miles who is responsible for the beautiful display of roses at the Kendall Club. Come along and pick his brains on how to do it; all are welcome to this and every meeting.
