The hall will be set up with tables and chairs, and guests are invited to bring along their own food and drinks, alcohol included. There will also be cakes and tea and coffee available for purchase.

It's shaping up to be a fun, merry, relaxed occasion and we hope to see and hear you there!

Come and see the CHUMS in action (or I should say: come and hear the CHUMS in action). The CHUMS are the Camden Haven Ukulele Musicians. They will be the main guest artists at the next Kendall Music Exchange, which will take place on

Friday 2nd October.

It was in July 2012 that a group of like-minded people, mostly unknown to each other, went to learn ukulele with Ken Yates at Camden Haven Adult Education. They loved playing so much and realised then, that if they didn't practice, all they had learned would be forgotten! So, with encouragement from Ken, on 5th July 2012 CHUMS (Camden Haven Ukulele Musicians) was born. They continued to play at each other's house and finally, by word of mouth, the group began to grow.

Now CHUMS are at Laurieton United Services Club (LUSC) each Friday morning at 10.00am and continues to grow with some 55 ukulele enthusiasts in the group. Others join the group when they are on holidays and some even come by yacht (!) whilst on their travels.

Their first group leader was Gwen Cause. Now the reigns have passed onto Khristina Joy, who continues to inspire the group to play and sing.

CHUMS are a friendly bunch and all are wel-

we will have the pleasure of hearing DAVID SMITH from Port Macquarie as the main guest artist..

David Smith was born in London. As a teenager in the 1960s, when the British rock phenomenon was in full swing, he formed a band with some friends and they played regularly at functions and pubs. David played lead guitar and backing vocals. At the age of 23 he immigrated to Aus-

tralia. Since arriving in Australia he has played around many campfires with friends and recorded 3 CDs of cover songs and a few originals on a 4-track recorder.

David has sung in an acapella group, played bass guitar and sang in a blues band, then played lead guitar and sang in a rock band. He moved from Sydney to Port Macquarie in 2011 and now plays regularly at the Glasshouse Friday lunchtime concerts and at standup mic sessions at Zebu and Blue Water. Recently David and his wife Carol have also started playing and singing a few songs together. David enjoys most music whether it be classical, pop, rock or folk.

Kendall Community Boat Shed

By Lyn Groves

Sixteen members of the Kendall Community Boat Shed recently headed north to Scotts Head for an inaugural weekend away to paddle the beautiful Werrall Creek. Some took vans and some tents or else booked into a cabin in the caravan park. It was a pleasing response for our first away from home paddle and was enjoyed by all who participated. On Saturday the group paddled downstream with the outgoing tide for about one and a half hours to reach a camping area where we had lunch and returned with the incoming tide. On Sunday morning the group headed upstream to explore further in that direction. Most were able to stay over until Monday before returning home.

Due to the success of this venture more away paddles will be planned, while regular paddles are held on the Camden Haven and other local waterways. Anyone interested in joining this group can

Camden Haven Pony Club

By Karen Madden

Camden Haven Pony Club zone 9 mounted games held on the 23rd August was a huge success, with both of our teams riding extremely well, the team lead by Zoe Lucas, Megan Reynolds, Jack Reynolds, Holly Hunt and Lacy Fitzgerald being awarded second place in the stepping stones race. The team lead by Chloe Baker, Zoe Groth, Jane Laurie, Mollie Fitzgerald and Macy Wilkinson rode extremely hard and placed in all events and were awarded Reserve Champion team, and they are now accepted and going to represent Camden Haven pony club at the NSW State mounted games in Bungendore in October.

Willawarren pony club held their Ribbon day on the 30th of August with a well organised and fun day had by all. Jazmin Madden riding Bobby at their first event together had an awesome day with Jazmin being awarded Reserve Champion Rider and receiving numerous ribbon places in all events. Zoe Lucas also achieved Reserve Champion Associate Rider with excellent results in all events.

On the 5th of September Port Macquarie Pony club held a show jumping clinic with Pauline McClements as always sharing her expertise with riders. Port club put on a wonderful day with riders organised into groups according to skill/level, kids also had a flat work class and enjoyed practicing and perfecting there sporting skills.

On the 6th September Wallamba River & distict pony club held a ribbon & trophy day, once again the new combination of Jazmin Madden and Bobby performed extremely well again with yet another Reserve Champion Rider and four 2nd places one 3rd and one 4th . Keep an eye on these two in the future. On the 19th & 20th of September Wingham pony club hosted the Zone 9 Pony Club Jamboree at Taree showgrounds. Camden Haven pony club had 13 enthusiastic and dedicated riders attend, Saturday started with Dressage, rider and hack classes most classes were in the pouring rain, the day ended with the exciting show jumping rescue relay. Sunday thankfully didn't rain although the ground condi-

tions were quiet slippery with the six sporting events and show jumping to go. Camden Haven had outstanding results with Little Lacey Fitzgerald in the 7 U 9 year group winning champion point score and champion sub jnr. Zoe Groth 13U15 group also winning champion point score and reserve champion snr. All riders received numerous ribbons in all events with smiles all round.

Kendall Op Shop Report

From Judy

The Kendall Op-Shop is a supporter of the Kendall National Violin Competition and is proud to play a part in enabling the visit to the area of the Live Music Sydney Group. On Monday 14th September, The Live Music Sydney Group visited Kendall pre-school, Kendall Public School and Herons' Creek Public School. A number of committee members and volunteers attended each performance and were delighted with the children's response to the wonderful music and their interaction with musicians of the touring group.

A BBQ was held on Saturday 19th September for the season opening of the Kendall pool, again the Op-Shop was pleased to have played a part in this annual event. The new pool fencing is heading towards completion ensuring a safer environment for all pool users.

This year the Op-Shop ladies will be presenting a fun fashion parade at the Melbourne Cup Luncheon and fashion parade at the Kendall Services and Citizens Club. A good way to spend the afternoon.

The end of winter sale was a great success, the shelves and racks are full once more, with some great summer clothing and a few items of warmer clothing as the weather seems to be a little fickle this spring. Shoes and bags are in abundance, something for everyone.

The book section is worth a visit, the turnover is fast so there is always a stack of new titles to choose from. The children's and young adult section has new titles, there are plenty of cook books and magazines.

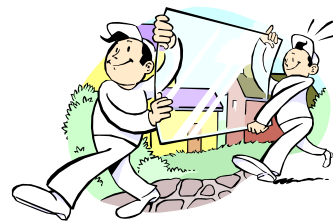

Jewellery and ornaments are displayed in the middle aisle and paintings and prints are well displayed around the shop.

The Op-Shop is sponsoring a promising young local dancer as she moves towards her goals of dancing, choreographing and teaching.

Welcome to Alison Martin and Jean Donald, who have joined our band of hard working volunteers and student Holly Cole who is completing work experience at the Op-Shop.

Much activity has been going on at iKew Information Centre this last fortnight with many volunteers from different groups helping with the Driver Reviver stop over, which is on over school holidays from 19th September until 5th October, weekend times are 9 a.m. to 4 p.m. and week days 10 a.m. to 4 p.m. where they receive tea/coffee and a packet of biscuits plus a much needed stop, we are grateful for the many helping hands and thank them.

We are getting new local crafts in the shop all the time and well worth a visit to see our new stock, our latest stock is hand sewn holiday greeting cards, knitting for babies and small children, Vickers chocolates have a new line of chocolates and sweets now available at the centre.

Keep in mind a new line coming out in November just before Christmas with an assortment of dolls clothes including Cabbage patch dolls clothes, a great gift for the little girls stocking.

Great effort has been taken to bring the toilets up to

a high standard in the grounds of the Information Centre which I am shore the travellers will appreciate, with the ladies toilets just about completed, the finishing touch being a bird scene artwork by a local artist which will be covered with Perspex for safety reasons, the next step being the men's toilet when we get our next grant.

We were very pleased with the amount of money we were able to save after installing the solar panel from our last grant and look forward to completing more money saving ideas.

This month we have had many visitors from N.S.W. Tasmania, Perth, Canberra and The Gold Coast. A large amount of overseas visitors came from America, followed by England, India, New Zealand and Germany.

We are always pleased to assist our visitors, If this appeals to you to volunteer for four hour a week/fortnight we are looking forward to seeing you, the volunteers find it rewarding assisting the traveller and meeting people from all over the world.

We are open from 10 a.m. to 4 p.m. 7 days a week.

Kendall CWA
By Gael Mackenzie

September was a busy month for Kendall CWA. Firstly we had Awareness Week which we celebrated by holding an open day. CWA NSW focus this year was on domestic violence so we invited Port Macquarie Hastings Family and Domestic Violence Services to set up a stall. The weather didn't co-operate, so after festooning the outside of the rooms with banners and balloons, we retreated inside. Thank you ladies for all your hard work making posters showing our pursuits, making all the cakes and jams for sale; and of course the delicious morning teas we served. Thanks to the people who popped in for a chat, wonderful to get some ladies interested in joining us.

Next came our Birthday Picnic meeting! A glorious day greeted us this time for our picnic at the lovely Cowarra Dam. Our meeting was swiftly dealt with and we moved on to morning tea and much chatter. Lovely to see some husbands enjoying the morning, but I have a suspicion that they were really there for the food! To promote our primary product we had beetroot dip, beetroot salad and chocolate/beetroot cake as well as many other tasty goodies. A lovely day and a big thank you to Port Macquarie Hastings council for providing such great facilities for the public.

Our next meeting is our AGM September 20, 10am. For more information ring secretary Di on 6556 9753 or check out our facebook page.

Kendall District Gardeners Club

By Jim Lewin

This month Doug Pope hosted the meeting as John is away. Doug welcomed everyone and commented on the refreshing rain. Next month Ron Chapman will be talking on how to present flowers cut or potted, for showing. Please bring in at least two samples of cut/potted flowers.

Some of our members attended the Wauchope Garden Friendship day. The speakers were entertaining and interesting. A lovely lunch was provided as well as lucky door prizes. Some upcoming events were announced – Port Macquarie Open Gardens, Plant Lovers Fair, Kendall Community Boatshed BBQ at Bunnings. Doug also discussed an article in "Gardening Australia" about using potatoes as clay busters.

Show and tell led to a discussion about weeds.

The guest speaker was Elke Knabel on the subject of Soil Chemistry.

Water should compose 25% of the soil. It is essential to allow fertilizers to be delivered to plants. There is lots of bioactivity in the water. Original hydroponics used only chemicals and water. It was learned that the bio-organisms were required to be added to enable good plant growth. Aquaponics using fish to deliver the micro-organisms was later developed to overcome this.

Soils are graded from finest particles to largest as clay, silt, sand and gravel. Fertilizer tends to attach to clay. Most activity occurs in the first 30cm of soil. The most important part is the organic part. Mulching is important to retain moisture and to add organic nutrients to the soil. Compaction causes water logging which can be resolved though mechanical aeration or using plants such as tillage radishes to break up the soil. Worms are important as they also help aerate and distribute organic matter through the soil. There is not much carbon in Australian soil.

Doug thanked Elke for her presentation. He also thanked all who helped with today's meeting.

Next meeting will be on 19 October. (Don't forget to bring your flower samples.)
