Well done Kendall Tennis Club Ballkids & Juniors!

Kendall Tennis Club Ballkids and Juniors have once again brightened the courts of professional tennis. An extremely keen team of juniors and parents recently made the trip to Sydney to attend the United Cup.

Friday 30th December - What an amazing start the Kendall Ballkids had at the United Cup in Sydney. Elwood Dollery was selected to carry the USA flag for the morning play and Elijah Livingston carried the Australian flag for the night's session. Paige Hudson got her first taste of centre court with the Madison Keys match.

Saturday 31st December - The United Cup on Channel 9 that morning Club Juniors Elwood Dollery and Paige Hudson were working at the net. Paige was also fortunate enough to carry the flag out as well.

Monday 2nd January - Kendall Ballkids Elwood and Paige were on Centre Court at Ken Rosewall Arena with Australia v Spain – Rafa Nadal played Alex de Minaur. Alex won!!

Tuesday 3rd January - A massive day for Tennis Club at the United Cup in Sydney with eight Club Juniors Kade and Eden Prowse, James, Stanley and Summer Randall, Flint and Mia Wallace, Charlise and Declan Dollery showing off their skills on Ken Roswell Arena before the first match. Flint Wallace tossed the coin for the Tiafoe and Otte match whilst Elijah Livingston

got to ballboy for that match. **Well done Kendall kids!** (Up to date news on Kendall Tennis Club's Facebook page).

Kendall Community Op Shop News

... From the Community ... For the Community
... To the Community

Please note: The Op Shop will be closed Australia Day,
Thursday, 26 January 2023.

The past year has presented challenges – but it brought families, friends, people who we care for and our communities closer together and it created awareness for supporting each other in these difficult times. Our local community is safe, our borders and economy open and let's look forward to 2023 with optimism and a renewed sense of hope about our future!

Welcome to 2023 Committee members, elected at the 2022 AGM on 1st December 2022.

Thank-you to the 2022 Committee for brilliantly handling a challenging year. There was plenty of hard work, motivation and flexibility involved to integrate Public Health Orders and NSW Directives into the shop operation.

Volunteers: The Op Shop continues to thrive due to the diverse, talented, resilient and multi-skilled group of 89 volunteers. To them we owe a huge thank-you for all their hard work and effort!

Over half this number carries out **additional** duties at home related to chosen areas of special interest, undertaking tasks which help make the Op Shop tick in such a perfect and friendly way.

A lovely **Thank You** Christmas lunch was enjoyed on 8th December, by almost all our volunteers.

2023 GRANTS APPLICATIONS

Keep shopping at the Op Shop ... January begins with a display of beautiful collectables and **antiques**, all fully researched,

Op Shop volunteers enjoying their Christmas Lunch!

beautifully presented and reasonably priced. Come in to browse!

Rags are always a good way to 'keep hands clean'.

Note: if you have any fabric bits and pieces which you no longer need, kindly donate them, our stock is depleted due to high demand.

We are all looking forward to Australia Day ... let's 'keep the Australian Spirit' in all of us – the shop will have plenty of Aussie related items for sale, to help everyone celebrate.

Browse www.kendallcommunityopshop.com.au and/or look www.facebook.com/kendallcommunityopshop up. Make the volunteers proud for donating their effort and time for a good cause. Everyone can pass by the Op Shop Kendall (check opening times). Selling 2nd hand isn't new, but what the planet needs is more buyers!

Kendall Community Boat Shed

On Saturday 11 December, the Kendall Community Boatshed celebrated the start of the festive season with the final paddle for 2022 on the Camden Haven River, followed by "happy hour" (drinks and nibbles) and a barbecue (the main event!). The final club meeting of the year was also held in a (thankfully) short interval between the festive activities!

The day started with a paddle from the Kendall Boatshed against some strong, gusty headwinds past local riverside properties and farms. The paddlers went downstream as far as Batar Creek, passing a gaggle of very health looking geese and a nesting duck on the way. After a short paddle up Batar Creek to the railway bridge, we turned and headed back upstream ... perversely, the wind had swung around and we once again faced strong, gusty headwinds!

Back at the Boatshed, our President introduced a visitor, Barry Barr, who was one of the original group (along with Mavis Barnes, Annie Georgeson and others) who fought to maintain and improve the Boatshed over the years. Barry's insights demonstrate just how much of a community-driven project it has always been - and still is today!

The formal part of the evening closed with a review of next year's draft paddle schedule (which looks terrific) and then it was back to the serious business of enjoyment for the 30 or so revellers who stayed on for the barbecue: enjoyment of the "consumables" (which were many and varied), and enjoyment of the company which was full of fun and good cheer.

Kendall District Garden Club News

by Jim Leewin
(Patrons: Christine and Richard Cullen)

John greeted everyone wishing them a Merry Christmas and a Happy New Year.

Doug has organised several speakers for next year, if you have any suggestions, please let him know.

John had some *epidendrum* flowers for people to take and Colette had some *Salvias* available. John also gave away some *epiphyllums* and *hippeastrums*.

Di had some Christmas bush and rhubarb for people to take. Don announced that he had finally beaten the sooty mould. Bud has found a natural insecticide that kills almost everything – “*Success Ultra*”.

The photo competition will close on 13th February 2023 and winners will be announced at the February meeting. There are three categories:

- 1 - Garden Scene,
- 2 - Close of a single item (flower, leaf, etc),
- 3 - Garden Visitor.

You can submit up to 3 photos in each category. Please email photos (wayne.sainsbury@gmail.com) or give Wayne a USB with the photos.

There were several prizes available for the lucky door prize.

The speakers were Jim and Janet Lewin. “We talked about the issues that occurred while travelling Europe, particularly getting covid and losing the passport. We explained how we resolved these issues and managed to put a lot of people off travelling. Essentially there are two rules to follow – don’t get sick and don’t lose your passport.”

For those that might be interested the LUSC Travel Club will be meeting on 31st January 2023 at 1:30pm in the Anzac room at LUSC. All welcome.

John thanked Jim and Janet and announced more lucky door prizes. A scrumptious spread was available with morning tea while additional numbers were drawn for the prizes.

Next month Peter Versluis will be talking about health and safety in the garden. He would appreciate people bringing in questions about the things that concern them.

Next meeting will be on 16 January 2023.

KENDALL CWA News

The Country Women's Association of NSW was formed in 1922 with the aim of improving conditions of the women on the land.

Today women from the country and city in NSW and the ACT meet together to connect with others in their local area, fundraise and help set policies which are lobbied for at a State level. Members also enjoy cooking, handcraft, art and creative writing competitions as well as teaching skills to others.

Beginning with just 22 branches in 1922, the CWA OF NSW now has 370 branches and over 8,000 members across NSW and ACT.

In 2022 we celebrated our first 100 years, and we look forward to continuing for many years to come.

The 100 year celebration began in March with a Garden Morning Tea hosted by the Governor, Her Excellency The Honourable Margaret Beazley at Government House in Sydney.

Over the last twelve months many branches throughout the state have celebrated in many ways. Kendall Branch com-

...bined with branches of the Mid North Coast and had a wonderful luncheon and day at the Port Macquarie Race Course.

As this year comes to a close the members of the CWA Kendall Branch wish our Community a very Merry Christmas and look forward being out and about with you all in 2023.

Rushing to work, I was driving too fast and as a result was pulled over by the highway patrol. The officer noticed that my shirt had the name of a local high school on it. "I teach maths there," I explained.

The officer smiled, and said, "Okay, here's a problem. A teacher is speeding down the highway at 10k over the limit. At \$12 for every kilometre, plus \$40 court costs, plus the rise in her insurance, what's her total cost?"

I replied, "Taking that total, subtracting the low salary I receive, multiplying by the number of kids who hate maths, then adding to that the fact that none of us would be anywhere without teachers, I'd say zero."

He handed me back my licence. "Maths was never my favourite subject," he admitted. "Please slow down."

Kendall Community Global Food Garden

With some rain and plenty of warm sunshine, the Global Food Garden is definitely flourishing!

The bee-loving roses are especially beautiful this season. The snake beans are slowly but surely climbing their trellis and the Balinese corn is now waist-high. As an experiment in companion planting, we plan to encourage the yellow climbing beans to grow up the corn stalks. In return the beans provide some ground cover to keep the soil around the corn cool.

A common problem in the garden are the slugs and the snails. They love to chomp on tender little seedlings and other plants which can be quite disheartening! We have found that placing beer in little cups around the garden works quite well to reduce the pests. They are attracted to the yeasty smell of the beer and they drown in it (happily I hope!)

However, the problem has always been, who wants to waste their beer on slugs? Well, last week Maryanne and Steve arrived at the garden with a crate load of thoroughly undrinkable homemade beer - for the slugs! Problem solved!

So many roses ... particularly two beautiful ones!!

Or so we thought ... it turns out that slugs are surprisingly discerning - they didn't like it either - they wouldn't go near it! We are now working on the idea of a foliar spray, a slug repellent ... stay tuned!

Managing your weight around the holidays just requires a little planning.

For example, I took the batteries out of my scales on Wednesday.

Malcolm Fowler - Kendall Herbalist - since 1998

An 80 year old woman was marrying for the fourth time. A newspaper asked if she wouldn't mind talking about her first three husbands and what they did for a living.

She smiled and said, "My first husband was a banker, then I married a circus ringmaster, next was a preacher, and now in my 80's, a funeral director."

When asked why the four men had such diverse careers.

She explained, "I married one for the money, two for the show, three to get ready, and four to go!"

WHAT IS PICKLEBALL?

Pickleball is a low-impact paddle sport that is easy to learn and play at almost any age, and brings together elements of tennis, badminton, and table tennis. This sport is regularly described as the fastest growing sport worldwide.

The sport has had a gradual introduction into Australia since 2015 with a small group of enthusiasts starting the first incorporated association in 2017.

Associations and playing groups in every state and territory in Australia are now well connected with the rapidly growing Pickleball community world-wide.

Pickleball is played:

- ♦ indoors or outdoors as long as it is a hard surface to ensure the ball can bounce;
- ♦ using a solid paddle to hit a plastic "whiffle" ball over a net (3 inches lower than a tennis net);
- ♦ as both doubles and singles.

Contact Wendy at Kendall Tennis Club on 0419 634 848 for playing details.
