Finally ... Kendall Show took place!

After three years of cancellations due to COVID and wet weather, lots of people visited the Kendall Showgrounds on the weekend of 14th and 15th October for the 72nd Annual Camden Haven PAH&I Society's Show.

As Doug Pope, the Show co-ordinator said, "There was something for everyone, with the horses, cattle, woodchop and chainsaw racing attracting good crowds, along with fun sideshows and displays."

Entries were down from previous years, however were of a very high quality. The cattle section attracted good entries, along with the horses and dog show.

The crowds were entertained with lots of music, the Flair Action Motorbike Show, and Walter Whip performed his Flaming Horse display on Saturday night and Sunday afternoon.

The Show Society Committee would like to thank all the volunteers who assisted with the show, along with the 100 sponsors who supported the show's activities financially.

Kendall Community Op Shop News

... From the Community ... For the Community
... To the Community

Times are challenging, cost of living is rising...we can help you make ends meet and also keep to your budget, so shop at the Op Shop Kendall – it's great therapy for the soul too.

There is always a (popup) sale, come in and have a browse in the various sections, there might be even a range of reduced-priced collectables, so come in and browse for those special offers.

Remember **Op Shop Gift Vouchers** - these make great Christmas presents- there is also the option of purchasing a "Pay It Forward" gift voucher.. some one in need will be given a surprise gift from you in the form of the Gift Voucher you purchased, and left at the Op Shop..

A truly unforgettable experience for both parties.

Winter clothes have been replaced by our summer range – the Op Shop provides a great way to avoid 'FAST FASHION' – when too many new items are purchased for every new fashion-season.

Check your wardrobe and be honest: how many have never worn? Many 'FAST FASHION' clothes are no longer of long-lasting quality. Buying second-hand (but often brand new and never worn) helps to counteract this trend of 'FAST FASHION'. Wear your clothes for two seasons, shop at the Op Shop... help reduce CO2-emissions by up to 24 %.

A DATE FOR YOUR DIARY! Monday, 30th October

Our famous **CHRISTMAS DISPLAY** – make some time to come in and browse to shop at affordable prices for the festive season for the family and friends.

In the week leading up to the date (beginning 21st October) the shop has available for sale a range of pre Christmas craft items, for the very keen.

A small team of Volunteers gets together throughout the year but especially from October onwards to sort all the Christmas wares - it is a major task to prepare them for selling at the Op Shop from November until Christmas Eve. Donations often come in bundles, so everything has to be sorted by category, put themed items or by colours together and neatly packed into bags, or boxed in order to be presented in an attractive way. Christmas goodies include...

Angels, bauble packs, bon bons, candles, candle holders, cards, caps/clothes, hats, decorations for display at work/ office, schools and/or at home, figurines, garlands and wreaths, gift cards, glassware, -kitchen items, lights, napkins, ornaments, wrapping paper, reindeers, ribbons, Santa items, soft toys, solar lights, table top decorations, tea towels, tinsels,

tree decorations, tree stands... Just come in and browse, to create a festive mood by spending only a few dollars.

All volunteers are contributing their time and efforts to sales at the Op Shop to the next Grant's Award Night in March 2024. They are supporting the community. Around 85 volunteers give their time for many tasks at hand, they try to give every customer what they are looking for as they assist to accommodate their requests. With their compassion – vision – sustainability they are not only volunteering at the Op Shop, many are completing many more duties and contributing endless hours to sorting and labelling donations for selling. It's a great community within the community of Kendall.

Volunteers have a Christmas luncheon at the LUSC on Friday, 8 December 2022 and the Op Shop will be closed for that Friday.

For more information, and the Op Shop's Annual Report: browse www.kendallcommunityopshop.com.au and/or look at the shop's Facebook page.. www.facebook.com/kendallcommunityopshop.

Make the volunteers proud for donating their effort and time for a good cause. Everyone can pass by the Op Shop Kendall (check the opening times). Selling 2nd hand isn't new, but what the planet needs is more buyers for recycled items – stop buying new every year, do it only every 2nd year!

If you are interested in volunteering at Kendall Op Shop, pick up an "Expression of Interest" form from the Op Shop at 1a Comboyne St, Kendall NSW 2439 or phone 6559 0084. www.kendallcommunityopshop.com.au or www.facebook.com/kendallcommunityopshop

“Kendall must hear this brilliant young musician”

The final Kendall PhiloMusica concert for 2023 will be presented on 19th November at 2 pm at the Kendall School of Arts.

It will feature the amazing pianist **Nicholas Kennedy** (pictured on right) who performs works by Handel, Beethoven and Brahms. Nicholas Kennedy will also attend the pre-concert talk at 1 pm on the day (free with the concert ticket).

Acclaimed for his “stirring, magnetic and powerful” performances (Arts Hub), Sydney-born Nicholas Kennedy is among Australia’s most exciting young musicians.

Nicholas made his concerto debut in 2014, performing Beethoven’s Piano Concerto No. 1 with the Kuring-Gai Philharmonic Orchestra. He has subsequently appeared in Germany, the United Kingdom and throughout Australia.

Besides performance, Nicholas is

deeply engaged with music research, focussing on piano music of the nineteenth century and the intersection between analysis and praxis.

An award-winning article on Chopin’s Fantasy Op. 49 has appeared in *The Chopin Review*, and in October 2023 he will be a presenter at the international artistic research symposium, *Performers(‘) Present*, in Singapore.

His debut album, featuring Beethoven’s last three piano sonatas, was released on the Orpheus Classical label in 2021 and is available on all major streaming platforms.

Goetz Richter, Artistic Director of the Kendall National Violin Competition recently attended a recital by Nicholas Kennedy and immediately decided that “Kendall must hear this brilliant young musician”. His intuition was confirmed

when Nicholas agreed and informed him that his great-grandmother grew up in Kendall!

Kendall District Garden Club News

by Jim Lewin

(Patrons: Christine and Richard Cullen)

John welcomed everyone including newcomers and visitors. He thanked all those who contribute morning tea eats. He mentioned a couple of invitations to South West Rocks and the Hannam Vale Open Gardens.

The Camden Haven Agricultural Show was well attended with numbers exceeding pre-Covid levels. However, the quantity of competition entries was markedly down. He exhorted us all to ensure we have entries ready for next year's show. Raffle prizes included a Hoya, Epithelium, Begonia, Bleeding Heart Vine and cut flower Gerberas.

Prize winning orchids from Loan were on display and John presented her with the Champion of Champions Sash (see photo above).

The most successful exhibitor was Di Pope and John also presented her with a sash. All the winners were congratulated.

Di had brought in some Heliconia cuttings for the taking. Paul had some Dragon Fruit cuttings for planting. Bud gave away several pots and tools.

The Speaker today was our President: John Carter. John talked about propagating plants in soil and the sorts of pots to use. Square pots allow roots to descend while round ones cause them to wrap around. John likes Seasol as a fertilizer as well as liquefied cow manure or worm farm "tea". Doug thanked John for his presentation.

Next meeting will be on 20th November 2023.

Brain Teasers ...

1. An Arab sheik is old and must will his fortune to one of his two sons. He makes a proposition. His two sons will ride their camels in a race, and whichever camel crosses the finish line LAST will win the fortune for its owner. During the race, the two brothers wander aimlessly for days, neither willing to cross the finish line. In desperation, they ask a wise man for advice. He tells them something; then the brothers leap onto the camels and charge toward the finish line. What did the wise man say?
2. There is a fishing trawler, with a ladder in it, leaning against a wall at the harbor. There are five oars and two fishing nets in the trawler. The distance between two consecutive steps on the ladder is 1 meter. If waves lashing against the wall rise half meter in every half hour, in how much time will six steps of the ladder get under the waves?
3. A man wanted to encrypt his password but he needed to do it in a way so that he could remember it. He had to use seven characters consisting of letters and numbers only (no symbols like ! or <). In order to remember it, he wrote down "You force heaven to be empty." What is his password?

We are back in the saddle for our busy Term 4.

All the school children are thoroughly enjoying their riding, we have had a new student from Kendall School start with great excitement as it was his first time on a horse! Smiles all round! So good to see. We have also welcomed a couple of our previous riders, great to see them back with us again!

We finally had work completed through the school holidays on our concrete driveway from entry to exit, along with a disability carpark space. This was thanks to grant funding under **NSW Government's 2022 Community Building Partnership**.

A NEW HORSE, Finn, has joined our Kendall herd, he is quickly becoming one of the favourites, as he has a wonderful nature.

We have a great **Christmas Raffle** which will be drawn on 18th November outside Coles at Laurieton, with 1st Prize being Golf Game for 2 including Cart Hire. Other prizes will be hampers with Christmas goodies and vouchers etc. Please contact for tickets, \$1.00 each.

Our last riding days for the year will be Tuesday 5th December and Wednesday 6th December, celebrating with our Riders a special Christmas morning tea on both days.

The Produce Exchange

The Produce Exchange is a community idea for eliminating waste from your vegetable garden. If you have excess produce, bring it along to our meeting place, and exchange it with other growers.

We meet every Sunday at the Kendall Oval, diagonally opposite Kendall Railway Station, on the corner of Railway Street and Araluen Street from 10am till 11am.

Here's what happens:

We bring along what we have - a few onions, some shallots, a bit of spinach or some cut flowers and show our produce to the other growers.

We then have a cup of tea with a slice of cake and talk to everybody. Often the conversation deals with topics such as: how to grow, when to harvest, how to preserve or dry vegetables and fruit, and what can be made from the produce.

Because we have people here from different cultural backgrounds, we are often introduced to unusual vegetables that

we have never seen before. At around about 10.45, we ask people if they would like to take home some of our produce, and the goods are exchanged in an informal way.

We don't want to go home with our own vegetables, so it's good to swap with people. If we have a lot of citrus when it all comes into season, the excess can be picked up by Ozharvest.

We started about 6 months ago, and now have a shared seedbank. Because it is spring, our growers are keen to put in seedlings, so we now deal in potted flowers and vegetables. Cut flowers are always popular, as is cut greenery, so if the vegie patch is not quite producing, these are very acceptable.

Come along and join the talk about how to grow, preserve and eat all the wonderful produce that this region offers.

We are a friendly bunch and love to welcome new people. Come along and check out what we do.

All enquiries: Phone Sheriden on 0429 313 089.

Gardening Fun for Kendall's Daughters and Sons

Whilst most of our members have completed three score or more laps of the sun, there is no lower age limit to participate in the Kendall Community Global Food Garden's working bees.

Henry (pictured) has been a keen gardener since moving to Kendall in early 2022. He has become an expert at raking, watering, riding in the wheelbarrow and, of course, inspecting the local fauna.

The educational aspect notwithstanding, Henry enjoys getting to know some of our community elders and there is always delicious cake on a Thursday.

About 10 years ago a fence was built around the garden to help make it safer for young children; it has also proven to be a handy trellis to grow roses, berries and flowers.

Currently, there are blueberries, spring onions, kale, spinach, carrots, beetroots and herbs such as parsley, oregano, mint, and perennial basil.

Come on down Thursday mornings if you would like to learn more about gardening or just snap up some delicious organic spring treats.

Henry is making sure the garden's skinks are healthy and happy.

KENDALL CWA News

September 2023 was the Kendall 70th CWA Birthday. Yes, the branch has been around that long.

The photo on the right, was taken at Miss Nellies Café with the Kendall ladies enjoying a wonderful lunch together.

Kendall CWA's 1st Birthday was celebrated in September 1953.

Branch meetings were held in afternoons at members' homes.

It became obvious that Kendall needed a baby health clinic as the ladies would take their babies on the "fish train" from Kendall to Wauchope to have their babies checked out.

It was decided in June to write a letter to the Department of Public Health in Sydney to lobby for a Baby Health Centre to be established in Kendall. By August there was progress in establishing the baby clinic.

In April 1954 Kendall CWA had a discussion with the War Memorial Committee and it was decided that the War Memorial Committee would build premises for the Clinic and Community Meeting Rooms on the RSL site. It was agreed that Kendall CWA would subsequently furnish and maintain the baby clinic. The long awaited baby clinic was opened in April 1955.

The Branch has continued to work and support the local community over the last 70 years and we have about 26 members at present.

We invite ladies of all ages to come along and join us.

KIDS CRAFT AFTERNOON

September School Holidays.

On Friday 29th September during the School holidays our handi-craft officer Elizabeth with a few members of the Kendall CWA put on a Kids Crochet Class. *See photo on right.*

This was a very successful class with the children taking home a small crochet item that they completed. It was a fun and enjoyable afternoon with a yummy afternoon tea.
